Ingredients

Dehulled Soybean Meal, Ground Corn, Wheat Middlings, Porcine Meat and Bone Meal, Fish Meal, Dehydrated Alfalfa Meal, Brewers Dried Yeast, Glyceryl Monostearate, Soybean Oil, Calcium Carbonate, Salt, DL-Methionine, Choline Chloride, Dicalcium Phosphate, Pyridoxine Hydrochloride, Cholecalciferol (Vitamin D3), d-Alpha Tocopheryl Acetate (Vitamin E), Vitamin A Supplement, L-Ascorbyl-2-Polyphosphate (Vitamin C), Preserved with Mixed Tocopherols, Folic Acid, Manganous Oxide, Rosemary Extract, Citric Acid (a Preservative), Biotin, Zinc Oxide, Calcium Pantothenate, Riboflavin Supplement, Nicotinic Acid, Menadione Sodium Bisulfite Complex (Vitamin K), Vitamin B12 Supplement, Copper Sulfate, Thiamine Mononitrate, Calcium Iodate, Sodium Selenite.

Feeding Directions

- Feed free-choice to birds as the sole diet until fully feathered.
 - Start with a small amount and be certain all birds begin eating.
- Always provide plenty of fresh, clean water.
- Thoroughly wash feed and water bowls on a regular basis. It is always good practice to wash hands thoroughly after feeding and/or handling animals.
- This diet is not for human consumption.

Storage Conditions

For best results, reseal the bag between uses or store contents of open paper sack in container with sealing lid. Store in a cool (75°F/24°C or colder), dry (approximately 50% RH) location free from rodents and insects. Do not offer moldy or insect-infested feed to animals as it may result in illness, performance loss or death. Freezing will not harm the diet and may extend freshness. Use within 1 year of bag manufacturing or "Best if Used By" date.
