Ingredients

Ascorbic Acid (Vitamin C), Calcium Iodate, Microcrystalline Cellulose, Thiamine Mononitrate, Dextrose, Vitamin E Supplement, Zinc Oxide, Silicon Dioxide, Vitamin A Acetate, Manganous Oxide, Calcium Pantothenate, Magnesium Stearate, Nicotinic Acid (Niacin), Pyridoxine Hydrochloride, Corn Oil, Folic Acid, Riboflavin-5-Phosphate, Biotin, Cholecalciferol (Vitamin D3), Vitamin B12 Supplement.

Feeding Directions

- **0.2 g tablet:** Feed 1 tablet per 1 oz. (28 g) of fish or shellfish in the diet.
- **1.5 g tablet:** Feed 1 tablet per 0.5 lb. (225 g) of fish or shellfish in the diet.
- Feed by placing the tablet into the food. Feed within 12 hours.
- Always provide plenty of fresh, clean water.
- Thoroughly wash feed and water bowls on a regular basis. It is always good practice to wash hands thoroughly after feeding and/or handling animals.
- This supplement is not for human consumption.

Storage Conditions

Keep lip tightly closed after removing required amount. Store in a cool (75°F/24°C or colder), dry (approximately 50% RH) location free from rodents and insects. Use within 1 year of bag manufacturing or "Best if Used By" date.

Ingredients cause tablets to have a speckled appearance. Coating on tablets may become speckled with exposure to air – this is not indicative of any vitamin degradation.
